

Step 17: No new neighbors from M

Legend

Complete Processing Discovered Unseen

The graph shows a search process starting from node A. The search path is highlighted in purple, showing the sequence of nodes visited: A → B → C → G → N → H → J → O → L → K. Node K is the target. The stack is shown on the right as [A].

Legend:

- Complete (Green)
- Processing (Orange)
- Discovered (Blue)
- Unseen (Grey)

Stack (top to bottom): A
